Assessor Comments	Buyers on offer is a line of 92x92 crossbred cows and calves presenting in store condition. These cows have plenty of frame and would be heavy cows when fat. Young calves at foot with a majority being soft black and creamy calves looking to go forward. These units would suit a future breeding program to keep breeding good weaners to take out to feeder weights or to do a split job with. Buyers please note this vendor has another lot in this sale.
