Assessor Comments	Final stage of full dispersal of Calvary Pastoral Company's "Wallendibby" cow herd. These good med to large frame cows were purchased as young heifers. They present in predominately forward store condition and have done a very good job on their calves in a tough season. The calves are sired by top quality Bongongo Angus bulls and are already showing good shape and bone. The first calves off this run of cows were top quality and attracted a premium in the current market recently. These are top quality breeders and would be a great addition to any herd. Highly recommend these cattle to all perspective purchasers, will not disappoint.
