| Assessor Comments      | Angus cows 4 years, The Glen Angus blood, with their 2nd calf at foot 198kg, by Kelly Angus bulls. Cows joined to Kelly Angus bulls 6/11 - 27/12/24, 7 weeks joining. These cows are in store condition doing a great job on calves, which are fresh in condition and very even. At assessment cattle handled well and were a pleasure to work with. All cattle are up to date with health treatments. Cows purchased as heifer's ex A+ in November '22, as a one mark line, and joined by the vendor to start a herd. The vendor is selling entire herd as property has been leased. There are another 2 lots of cows in sale, same age and description, 55 in total. Great opportunity to buy young fertile cows and calves under clearing sale conditions. |                         |                             |
