Assessor Comments	GREAT OPPORTUNITY TO SECURE THESE HIGH QUALITY, VENDOR BRED, EU ACCREDITED BLACK AND BLACK BALDY COWS - PTIC I highly recommend these PTIC cows to any prospective purchaser to build numbers or as herd improvers. PROVEN BREEDERS with years of genetic input that display all of the quality traits where concentrated breeding comes to the fore. This is a rare opportunity and the cows are only being offered due to the dry seasonal conditions locally and a change in farm management. Please take the opportunity to take a long look at the pictures and video to understand the quality of the cows on offer. There is an influence of Duck Island Composite through many of these cows which is evident in the carcass traits of the cows. IDEAL COWS FOR YOUR HERD - CALVES HAVE BEEN SOLD TO GRASS AND GRAIN FINISHERS WITH EXCELLENT RESULTS AND MANY REPEAT BUYERS !!
