Assessor Comments	335 very good quality Merino wether lambs A/c Laurel Park stud. lambs are well grown for age, have had tail of approx. 50 head removed, offering a genuine top of the drop, neat line of fresh stubble busters. Laurel park sheep are well known for their long productive staple, giving buyers the opportunity to shear these twice as lambs. Wethers should grow out into heavy lambs given the right nutrition. All health up to date, lambs are performing well.
