| Assessor Comments            | Line of 1st and 2nd x lambs, May/June drop, These lambs would normally be finished by owner for domestic and export markets. Ideal lambs to feedlot or finish on pasture to export weights. Some lambs not true to type and throwing back to the Afrino. Note: See Video                                                                                                                     |            |              |             |
