Assessor Comments	A great line of 730 store lambs being offered off "Eumeralla West". These Lambs are a genuine August/September 2024 Drop. They have been back grounded perfectly on Clover and Rye Pastures with Trail Fed Barley at 2kg per head a week so are grain trained and ready to go. The hard work has been done these lambs are ready to go onto feed and will easily make heavy trade to heavy lamb weight. They are predominantly a Dorset X lamb with an average weight of 38.4kg at assessment. The prospective purchaser will not be dissapointed with these lambs as we have had positive feedback from past purchasers on these lambs. Note this vendor has another line of lambs in this sale as well off the same property. Buy with confidence.
