Assessor Comments	Opportunity to secure a quality draft of 310 wether lambs. These lambs present in forward store to forward condition with plenty of stretch and shape. Lambs have had the works done to them, shorn, weaned 21/10/24, drenched and vaccinated. These lambs are renowned for doing well in feedlots, stubbles and would also make good wool cutters. Bred from large frame poll merino ewes these lambs have potential to reach export weights. Tops of the drop. Please note vendor will also be offering 205 quality xb lambs in this same sale.
