Assessor Comments	On offer is a run of Shorn X-Bred store lambs that present as the perfect article to background on grass. These lambs were 100% weighed at assessment under 32kg, a 15% tail was then removed. Lambs averaged 29kg at assessment. They have been trained on grain and have been on lick feeders with barley. These lambs are right up to date with their health treatments and are well shorn, only 3 days off the board. They are well bred out of Kinellar White Suffolk Rams and have the genetics to reach domestic and export weights given the right nutrition. These lambs are in forward store condition and are the lead of their draft. Please note these lambs are bred out of heavy skinned merino ewes and some lambs do have some wrinkle. All of the hard work has been done with these lambs so please purchase with confidence. The vendor is offering 860 lambs over 3 drafts in this sale giving purchasers the opportunity to put together a full b-double load of 1 mark top quality shorn store lambs.
