Assessor Comments	Offering a healthy draft of nicely bred South Suffolk sired lambs presenting in store to forward store condition. Lambs are sired by Willow Drive South Suffolk rams bred from quality Cashmore Oaklea & Boonerah blood composite ewes. The Woodford Valley lambs are typically finished to high quality trade and heavy trade lambs and given their breeding you would expect these lambs to reach export weights as well. Due to seasonal conditions they are being offered early. Lambs have been recently shorn and are very healthy. Chance to take on lambs with plenty of upside.
