	Ewes have been continuously running with rams. Ewes where also joined for 6 weeks window starting on the 26/11/24. Rams out on the 7/1/25.
	Traits
	9 Head Under shot jaw
Assessor Comments	Here is a great opportunity to purchase a good run of station mated dorper ewes. These ewes have plenty of youth and promise; currently in store condition but after good early summer rain they are on the move forward. Ewes are showing signs of being in lamb, with last lambs weaned off them in mid November. Ewes will be drafted in a run out the gate in three 6x deck lots, as fair and even as possible.
