Assessor Comments	NSM Poll Merino ewes . These ewes were purchased from Glenwood Merinos stud as stud maiden ewes and have grown out to be exceptional matrons that have always reared a lamb and produced a good wool cut at generally 7 to 8 month shearing intervals. Vendor is selly as CFA to keep his flock young. The ewes will pick up quickly after weaning big lambs off them this week and being moved to a fresh paddock. Ideal ewes to rejoin ,lamb out, take on and shear and fatten for the trade.
