Assessor Comments	MPM Merino Ewes, Only March/April '21 drop, Ewes are highly fertile with high percentages of lambs weaned year in year out. All ewes are scanned in and have raised lambs every year. Joining has been to Outback MPM rams. Classed ewes, this is the complete drop off Lindvale. Ideal ewes to join to terminal Rams or a Border for Xb production. Or to add to a self replacing flock for more of the same. Performance sheep. Ideal dual purpose ewes that have proven themselves year in year out. Highly recommended by assessor.
