Assessor Comments	Prime lamb breeders, on offer is a quality line of first cross ewe lambs, end of March to end of May 2024 drop. These young ewes are sired by Edolston Border Leicester rams out of large framed Towalba & Towonga blood Merino ewes. Lambs show good growth for their age, and also have a light mules. This is the annual sale of the vendor's first cross ewe lambs, with a small tail removed. Quality ewe lambs with enough weight and in ideal condition to join in coming months for a spring lambing. Noted a small number of lambs with weepy eye/s due to dust, not affecting their vision.
