Assessor Comments	A neat run of Merino ewes with a good July skin on their back. These ewes are Snowy Plain/Snow Vale Merino blood and are only being sold due to surplus to requirements. Ewes are in forward condition and are ready for the ram of choice. Rams that sired these ewes were selected on wool cut, wool quality and carcass. These ewes have just weaned 90% of lambs as well as cutting a solid 5.5kg fleece at 18.6 micron. Great opportunity to buy for a short trade or to retain as part of a Merino breeding enterprise. Please note: Agent can arrange freight to most areas with weekly market trucks.
