Assessor Comments	FULL FLOCK DISPERSAL. Calvary Pastoral Company offer for sale 4,500 classed in breeders. Property sold. There are 1,290 head total of these two year old ewes to be offered as three lots of 430 head run out the gate. These ewes are by Yarrawonga rams and are plain bodied easy care merinos. They had lambs weaned off them in December and have done well since shearing with a tough season locally. The Wallendibby flock has been classed the last two years by Brian Sears, with Steve Phillips of Yarrawonga classing the two years prior. These ewes will produce top quality white wools sub 18 mic. Wether lambs from calvary have easily achieved trade weights with two shearings and would make export lambs in a good season. This is a great opportunity to purchase a turn key flock with all the years of breeding done. Ewes are scanned & wet and dried each year.
