Very Good	60%							
Assessor Comments	A quality line of 2060 Egelabra/Langdene blood young wether lambs, from a line of over 2500. To be sold over 4 lots in this Auction. 100% of lambs in lot weighed thru Prattley auto drafter with minimum set at 36kg to average 40.1kg after 20hr curfew. No expense spared in the production of top quality Merinos at Womboin Station. Premium renowned Merino breeding country, These wether lambs are healthy & have had all their veterinary treatments. Premium grade rams purchased every year from stud auction sales. Excellent quality whether lambs that are bred to perform. Ideal lambs to shear and fatten or carry on as top end wool cutters. Please note the odd late marked lamb showing slightly heavier horn. Happy to load comfortable 4 deck loads of all lots. Highly recommended by assessor.
