Assessor Comments	On offer are 1020 Merino Wether lambs, offered as two lots of 510 run out the gate. September/October, Yarrawonga and Airlie blood lambs presenting in store condition. The vendors have been fine tuning their wool production with the lamb drop from last year averaging 15.9 and 15.6 micron of bright white, stylish wool. An excellent article to take on as woolcutters for any fine wool wether operators. Please note, very odd lamb with water damage over the shoulder. Approximately 5%
