Assessor Comments	445-Bungarra Trust Poll Dorset and White Suffolk sired, mixed set late drop lambs. Lambs are Aug/Sept drop, unshorn and weaned in November. This is the third draft of the Bungarra lambs (2000 in the drop). Lambs were trail fed at weaning and now have access to feeders in the paddock. Sired by Armdale Park and Kurralea blood sires out of Wallaloo Park and Poll Boonoke ewes. These are lambs that have plenty of time on their side and will hit any target given the opportunity and management.
