Assessor Comments	June/ July drop 2024 Suffolk lambs. These lambs are sired by the Emu Park Black Suffolk ram out of Forest Spring blood ewes. Lambs are in store condition but have a bit of size in them and would finish off with feed. Vendor would normally sell these lambs later in the year as trade lambs only selling due to no water and feed. These lambs would go into a feed lot or feed in the paddock they have been trail feed when they were with their mums.
