Assessor Comments	A well bred line of 1.5 year old Merino ewes August 2023 drop, Bella Lana blood, November shorn NSM. A small tail has been taken from the assessment. This is the annual dispersal of the CAMPBELL family maiden ewes. They have been bred out of classed breeders that are noted for their high fertility. They will offer another line of 240 maiden ewes from there other property in the same sale. Approximately 30% are November shorn and 70% shorn in December. They have a blue rattle on head for a classing mark. A great opportunity to purchase young future breeders to join up to the Ram of choice.
