Assessor Comments	An exciting opportunity to secure a line of young Australian White ewes, red tag Tattykeel Certified and SIL to Tattykeel Australian White rams. These ewes are 2023 drop and are very well grown for their age. They are vendor bred, sired by Tattykeel rams and out of Tattykeel blood (and red tag Tattykeel Certified) ewes, both vendor bred and purchased from leading Australian White breeders. The ewe progeny from these ewes will be eligible for red tag Tattykeel certification and the wether progeny eligible for the Margra branded lamb program. These ewes are only being offered for sale as the vendor is consolidating their lambing period and these ewes are surplus to their requirements. The vendor has 4 lots on offer in this sale, giving purchasers the opportunity to secure 91 red tag Tattykeel Certified SIL ewes. Note ewes were not tagged with the Tattykeel Certified red tags at assessment but will be tagged prior to delivery. Also please note 2 day delivery period.
