Assessor Comments	A quality line of 90 future breeder Tattykeel Red Tag Certified Australian White ewe lambs offered by Mount Dixon Aussie Whites. These ewe lambs are sired by Tattykeel rams, with Mount Dixon exclusively sourcing flock rams from Tattykeel, ensuring consistent genetics. They have been grown on native pasture and are well-developed, displaying desirable carcass attributes and good shedding ability, some are still carrying their lamb coat as per photos attached. Ideal to join in early autumn, these ewes present a great opportunity for people wanting a "starter mob" or add to existing flock.
