Assessor Comments	Young Aussie white ewes with their lives ahead of them. These young ewes are only being offered for sale as the vendor is reducing numbers. They would be an ideal starter mob for someone wanting to get into easy care Aussie white sheep or a high quality addition to an existing flock of ewes. These ewes are bred out of Gamadale blood ewes and sired by Gamadale blood rams, they are good shedders, refer to photos, and are a good medium to large frame sheep which display the Aussie white breed characterises well. Top quality ewes which will perform for the purchaser.
