| Vendor Comments              | These ewes are the complete draft of the 2020 drop ewes. By Gambier view and Moora Blood. These ewes normally retained only being offered due to dispersal sale of all ewes, as the property has been sold.                                                                                                                                                                                  |            |            |
| Joining Details              | Not Station Mated                                                                                                                                                                                                                                                                                                                                                                            |            |            |
| Other Joining Details        | These ewes have never been joined. To the best of their knowledge, this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                              |            |            |
| Any Access To Rams or Stags? | To vendor's best knowledge, this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                     |            |            |
| Assessor Comments            | 184 Purple tag, 4.5 year old corriedale ewes. Large framed, Gambier Views and Moora blood, December shorn. These ewes are exceptionally well bred. A pure dispersal of sheep due to the property being sold. Bimbadeen have been breeding corriedales for 68 years. A rare opportunity to purchase an excellent run of mature ewes that are in their prime condition.                        |            |            |
