Assessor Comments	Here Presents a line of vendor bred weaned Angus heifers. These heifers present in store condition and given the right opportunity would bounce away and be ideal backgrounders for domestic markets or to breed from . Heifers are out of Glenavon bloodline Cows purchased from the Deepwater district and are sired by Moorobie Angus bulls. Ideal heifers to background with a lot of compensatory gain to be had. Buyers, please note two heifers had old pinkeye scarring at assessment but didn't affect their sight in anyway.
