Assessor Comments	Angus & Angus cross milk and 2 tooth NSM heifers. Vendor does not have bull on the property. These heifers were brought in from local Inverell sale ex Warialda and Inverell districts. They have done very well on the natural grasses and should go on and perform really well given the opportunity. Great opportunity to buy heifers to put on the feed. At least 3 heifers observed have some Santa influence, 3 are black baldies and 3 are more straight Angus type. Mouthed all at assessment finding 2 x 2 teeth the remainder sound milks. 1 seen with scurs. Vendor has 19 Hereford x heifers in today's sale.
