| Assessor Comments      | Nice line of Millah Murrah blood heifers. Heifers are Preg tested empty due to a tight 6 week joining and a dry spring. Heifers will grow out and could be rejoined or grown out for the feeder or the domestic market.                                                                                                                                                                      |                                           |         |
