Notable Traits

Traits

2 Head Cloudy Eye

Assessor Comments A great line of Angus Heifers that have plenty of frame and depth to work with. Quality heifers that were bought back as Cow&Calf units as a trade, and have grown out nicely. Heifers have plenty of maturity about them and are extremely easy to handle. These Heifers are in ideal condition to continue to fatten into heavy weighted cattle, or to join to the bull of your choice. Note two heifers have a single cloudy eye, that is merely old scarring, not detrimental in any way. Please note vendor also has steers in this sale.
