| Assessor Comments | Well bred heifers that have plenty of potential. These heifers are tops of the drop with 35% tail removed and are currently being weaned and fed high quality hay and silage. They handled well through the yards whilst assessing and settled in yards once we were done. Shown the right feed these heifers will continue to grow out as future breeders or for the trade |
| Assessor          | <b>James Kennedy (Level 2 Accredited)</b>                                                                                                                                                                                                                                                                                                                                   |
