Assessor Comments	18 Watervalley Angus steers to Ave 310.6kg LW Curfewed. This line of Angus steers are the heavier draft being a small neat line, individually weighed with store medium frames capable of gaining weight given opportunity. They have come through drier conditions although show good confirmation and evenness in their type. Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases.
