Temperament

Yards	Crush	Paddock
Quiet: 13 head Slightly Stirry: 4 head	Quiet: 12 head Slightly Stirry: 5 head	Temperament not assessed in Paddock

Steers were very calm when in the yards not under pressure. Whilst shifting pens and drafting they were mostly the same with only very few rushing the gate. There was a few that didn't want to stand still on the scales but definitely not aggressive.

Handled With	Bikes , Vehicles

Assessor Comments	The Read steers have performed very well for previous purchasers. They are in forward store condition and weights suitable for feedlot entry. Vendor bred quiet Angus steers that would make excellent bullocks in the spring. Vendor also has a line of heifers in same sale.
