| Assessor Comments      | A really nice mob of well bred Composite wether lambs. Ideal to take onto heavy export lambs. Lambs are bred from large frame pure Gates Composite ewes. Lambs weaned at assessment but will be individually weighed 2 days prior to delivery. Lambs will be weighed out 35kg plus straight out of the paddock. Condition score assessed prior to weaning. Please allow in your bidding that numbers may vary slightly but will be within 5%. |  |  |  |
