Very similar in length                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Any Access To Rams or Stags?          | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Assessor Comments                     | Selling a draft of White Suffolk/Poll Dorset x Composite lambs from Lochs Farming, 753 in the run (B-double load). Coming from a 7000+ head ewe flock that has focused genetic selections on high growth, EMD and Fat on the maternal side, with a flock that has weaned 154% lambs to ewes joined in the past four years. Sires are White Suffolk/Poll Dorset bred to maximise hybrid vigour selecting heavily for PWT, PEMD and decent FAT levels. 1/2 of the lambs were shorn 6 weeks ago, the other 3 weeks. Lambs were all drenched with Zolvix 3 weeks ago and have been running on chicory & brassica. They are primed to quickly reach trade/export weights. Will be given booster vaccine prior to loading. Lambs will be delivered to Colac saleyards for B Double access. |
