Assessor Comments	310 x MERINO EWE LAMBS, GLENDEMAR MPM BLOOD, NOV SHORN, GUDAIR VACCINATED, AVE 39.8 KG'S AT ASSESSMENT. Great opportunity to purchase an even run of Merino Ewe lambs. The Glenlee flock is classed annually by Glendemar MPM principal Ben Duxson and these ewe lambs have has a big tail removed to give any buyer confidence in the article. These ewes would be ideal to grow out and target 1.5 year old markets later in 2025 with great potential upside.
