Assessor Comments	Mixed sex merino lambs around 50 / 50 split ewes and wethers. The ewe lambs have had their Gudair but the wethers haven't. Lambs are in store condition and with some feed and time they should pick up and turn around. Lambs are sired by the Forest Springs rams the vendor is only selling due to the dry conditions and lack of water. The vendor also has 220 xbreed lambs in this sale as well to put a truck load together.
