These lambs are in fresh store/ forward store condition and would excel once shorn, drenched and put on a high protein diet. Ideal line of well breed lambs to take to the next level with ease. There is enough breeding quality in these lambs to finish quickly into heavy trade or export lambs. The composite lambs are sired by high indexing Cashmore park rams and are mixed sex 50/50, with the rest being sired by white Suffolks or Southdown/white Suffolk rams out of composite ewes. 2-3 lambs have tails.
