Assessor Comments	Offering a neat line of hot shorn heavy weight feeder lambs. 100% weighed through an auto drafter 36-53kg av 44.4kg @ assessment. These lambs are packed full on top genetics and are in fresh forward condition ideal lambs to feed for heavy trade or export weights, with ease in a short period of time. Vendor carefully selects the sires from Elsted Poll Dorset's and chrome studs with a big emphasis on fat, muscle and growth, which shows in these lambs. These lambs were shorn 2 days prior to assessment and have only been grazing on sort green pick and dry pasture, once show a high protein diet they would only bounce forward.
