Assessor Comments	Rockview Past Co. are selling a freshly shorn run of 2nd x Dorset B/L Merino lambs. These lambs are by Rocky Poll Dorset sires and out of large 1st X ewes. They have in the past grown out to heavy export weighed lambs and will again, given the right nutritional diet. Rockview in the past have feedlot their lambs in to trade and export lambs but due to the water situation in the Southwest they are selling this exceptional line of feeder lambs that have great length and frame.
