Assessor Comments	Acc- Rosebank Pastoral Offering 660 quality 2nd X lambs bred out of large frame BL/MO ewes and sired by Konongwootong Poll Dorset rams. These lambs have great frame to put weight on and if shown the right conditions will grow into trade and export weights lambs. They were 100% weighed 33 - 56kg at assessment to Ave 41kg and were shorn on the 16th of January. They have been getting trail fed hay in the paddock recently and come to the fed. Vendor normally would keep these lambs and feedlot themselves but due to year have decided to sell as good store.
