Assessor Comments	A nice line of flat back Heifers with great growth for age which have done very well since the Vendor has owned them. These Heifers would be suited as domestic feeders or as replacement breeders. A sample of the biggest ones were mouthed & showed solid milk teeth, I did notice 4 Heifers with slight hump & 3 with some brindle. Heifers were a pleasure to work. The Vendor has another 66 Steers in this sale being the brothers of these Heifers.
