Considering these steers are unweaned worked very well in yards and through the race and crush. A couple of steers ran about a bit in the yards but with weaning should settle very well.

Notable Traits

Traits

Assessor Comments	A very good line of Angus and Angus/Hereford Cross Weaner Steers. Very well grown and show good bone and muscling. Steers were very good to handle considering they have not been weaned. Well bred steers with hereford cows being of Pinedale and Sevenbardot Bloodlines. Angus cows based on Dance Bloodlines and bulls are Millah Murrah Stud Sires. A top quality lines of steers ideal to take through to feeder weights or heavy kill cattle.
