Assessor Comments	Buyers here's an opportunity to purchase well bred and quiet Square Meater heifers. Heifers would suit hobbyist or would make a great Valentines day present. Vendor has been breeding Square Meaters since circa 2007, due to change of direction the cows have been sold and this is the last drop of heifers. All born late 2023 (U) heifers are unjoined and vendor does not have a bull on the property. 4 heifers are ex stud, the other 3 would be best described as F4 cross Heifers averaged 307.9kg, 290-335kg at assessment. Please note in run 1 heifer is black coated, which was treated with Terramycin pink eye spray at assessment. Heifers tags were scanned at assessment, no charge for transfer will be applied.
