Assessor Comments	Angus heifer weaners, 10- 11 months, by Dunoon Angus Bulls, yard weaned 22 October, 7 days, well educated at weaning so a pleasure to handle. "May Park" has purchased Dunoon bulls for more than 20 years and has a closed herd of outstanding females. These heifers are in fresh store condition with plenty of frame and would suit a breeder for joining, feedlot, or grass-finishing programs. Very attractive line of well-bred heifers.
