Handled With

Very nice to handle cattle, they moved well through the yards and stood calmly for photos.

Bikes , Horses , On foot , Vehicles

Notable Traits

Traits

5 Head Ringworm

Assessor Comments A neat mob of young Angus/Friesan Heifers. These heifers were grown out with the intention of joining and producing vealers but are being sold due to seasonal conditions. A reluctant sale of young bucket reared very quiet females, that would be great future breeders or also finish well into kill heifers. Well handled heifers that would suit any level of cattle handling experience.
