Handled With	Cow and calf were good to handle in yards and crush Bikes , Dogs , On foot								
Assessor Comments	An opportunity to purchase a well bred cow that has performed well in the herd, only getting sold to make way for replacement first calf heifers. Cow was good to handle in yards and crush. This cow would be ideal to fatten or take on as cow and calf into the future. Cow has been running with a Romagnola bull since calving so could possibly be back in calf. Vendor has another 2 lots in sale
