Assessor Comments	27 very good quality black baldy cows. These cows are right on the job to start calving. Tested up to Tivoli Angus bulls. Lovely big roomy maternal cows that have produced quality calves year on year. 15 cows were mouthed at assessment showing fully sound mouths. Two cows noted to have old pink eye scarring but didn't appear to affect their vision. Cows averaged 659 kgs at assessment and would make a fast turn around with a calf at foot.
