Assessor Comments	VENDOR BRED ANGUS HEIFERS, Sired by Sons of Millah Murrah Paratrooper and Quixote. The heifers present undetectable, pregnancy scanned by the vendor. Well grown heifers, that are from a very well managed herd- 10 years of AI joinings and tight calvings. The heifers themselves were the later drop heifers, but still present in good order in a deteriorating season. Heifers would suit to be turned off as feeders or the heavy kill market- the choice is yours. 53 preg scanned in calf heifers also in this sale.
