Assessor Comments	A small but neat run of Angus heifers with their first Angus CAF. Heifers are Hazeldean blood and present in forward stroe condition and are doing a good job on sappy marked calves. Units all had a 5 in 1 at assessment and are ready for the bull of choice for an autumn calving. Good opportunity to secure an addition to existing beef enterprise or for someone looking to get into cattle. Please note: Vendor also has 8 x 8 older cows in same sale.
