Assessor Comments	Offering of behalf of L. Holmes of Edi, 9 very quiet PTIC heifers carrying the Koanui Spy bloodlines, while being in calf to an Alpine Angus Full House bull. These young females are well on the way to their first calf to a proven Alpine sire and are genuinely quiet females being handled with time and patients whenever they are handled through the yards. These females are only being offered for sale due ato a bull breakdown and fall outside of the herds regular calving interval.
